

No. 6001/ 8408

September 2nd, 2024

Subject: Notification of Selection Results for the Global Young Scientists Summit 2025
To: Mr. Teerapong Panboonyuen
Enclosures: List of Thai Representatives for the Global Young Scientists Summit 2025

Following the call for applications for the Global Young Scientists Summit 2025 (GYSS 2025), jointly organized by the Information Technology Foundation under the Initiative of Her Royal Highness Princess Maha Chakri Sirindhorn (PSIT) and the National Science and Technology Development Agency (NSTDA), a preliminary selection process was conducted to identify potential candidates from among undergraduate and graduate students, as well as postdoctoral researchers. The shortlisted candidates were then submitted to Her Royal Highness Princess Maha Chakri Sirindhorn for final selection. Her Royal Highness has graciously selected 15 individuals to represent Thailand at the Global Young Scientists Summit 2025 (GYSS 2025), which will be held in Singapore from 6 to 10 January 2024.

We are delighted to inform you that Her Royal Highness Princess Maha Chakri Sirindhorn has selected you (Mr. Teerapong Panboonyuen) as one of the 15 Thai representatives to participate in this prestigious event. A detailed list of all selected representatives is attached for your reference. NSTDA will cover the costs of your round-trip airfare from Bangkok to Singapore and all expenses related to your participation in the summit.

Please be informed accordingly.

Ruetai Chongsrid

(Mrs. Ruetai Chongsrid)

Committee Member and Secretary to
NSTDA Scholarship Program for Representative Selection
at the Lindau Nobel Laureate Meeting
and the Global Young Scientists Summit

Central Office

Executive Vice President, RDI Management (RDIM)
